

Announcement of Chiang Mai University

Subject: Course Enrollment Registration for Grade V

For the student's course enrollment in any course with the purpose for increasing his knowledge to be in accordance with the University Registration for undergraduate and graduate programs, the university hereby issues this announce as follows:

1. Supersedes the Announcement of Chiang Mai University on course enrollment registration for grade V dated April 22, 2005.
2. The university will establish the time for a request for grade V for the course enrollment registration of any course in each academic year by issuing the University Announcement in the Academic Calendar of that year.
3. Students have to register for the course enrollment of the course they want to study for grade V of that semester in accordance with the course conditions and the announcement.
4. The course registration must be approved in writing by the student's advisor, the course instructor and the head of department to which the course belongs. The student has to submit all the proof of the permission to the Registration Office.
5. After registering for the course enrollment for grade V and the student wants to change for assessment and evaluation for a grade with some value or grade S or U, the student can request the change within the time specified in the Academic Calendar.
6. Undergraduate students who have been admitted since the Academic Year 2010 who have enrolled in a course and received grade V, are not allowed to re-enroll in the course. Otherwise, it will be considered a violation of the terms and conditions. There is, however, an exception in the case of change in the major program and that course is included in the curriculum in the new major.
7. A student who has registered for course enrollment for grade V, but fails to comply with the conditions and arrangement of the course, the course instructor is allowed the discretion to change the V to W within the last day of the submission of the study results.

Students are expected to observe this announcement as well as other rules and regulations and relevant announcements of the university from Academic Year 2011 onward.
