QA & A Registration for Graduation (Undergraduates)

Q: When should I register for graduation?

A: During the semester that the student expects to graduate.

Q: Do I have to enroll for the semester?

A: Students **must** enroll in courses or enroll for University Services before registering for graduation

Q I did not graduate last semester. Do I have to repeat the process this semester?

A: You **must** also register for graduation this semester, but only pay for the graduation document fee.

Q: Is the CMU-eGrad test a requirement for graduation? What is the minimum score in order to graduate?

A: Yes, it is. However, there is no score requirement for graduation.
