- midterm examination schedules (fundamental courses): <https://cmu.to/MIDTERM22023>
- midterm examination schedules (other courses): <https://cmu.to/MIDTERMbyFaculty22023>

Statistics regarding Visiting Students to Chiang Mai University

Visiting students are students of other higher education institutes who are accepted by Chiang Mai University to enroll in undergraduate courses, enroll for university services, or to conduct researches without the eligibility to receive a degree from Chiang Mai University. In the past three years, most of visiting students to Chiang Mai University come from Japan. And faculties with most numbers of visiting students are the Faculty of Social Sciences and the Faculty of Humanities with similar numbers.
