

**February 2023  
Registration Office Roadshow**

The Registration Office is paying a visit to faculties and schools in CMU to discuss and take suggestions about registration work.

February 1, 2023  
**Faculty of Economics**  
**Faculty of Social Sciences**

February 2, 2023  
**Faculty of Engineering**

February 3, 2023  
**Faculty of Science**

**Upcoming Events**

**Feb 7 - 8, 2023**

- Portfolio-Round TCAS Offer Acceptance on CUPT's Website

**Feb 24, 2023**

- Last day of course withdrawal (receiving grade W), semester 2/2022

Don't miss out on our small quiz to win a big prize this month. Tune in on the Registration Office's Facebook page!

# Portfolio-round TCAS Offer Acceptance for 2023 Academic Year

Applicants who have passed the Portfolio-round TCAS (Type 1.1, 1st intake and Type 1.2, 2nd & 3rd intakes) must confirm their offered seats on CUPT's website

<https://student.mycas.com/> on February 7-8, 2023. Failure to do so means the applicant declines their admission offer obtained from the Portfolio-round TCAS (Undergraduate Admission for Chiang Mai University 2023 Academic Year).

Please visit CUPT's website <https://www.mycas.com> for additional details about offer acceptance.

## REG's Guide on Course Withdrawal (Receiving a W Grade)

Students who wish to withdraw from course(s) this semester can submit their requests via the Online Registration Systems until February 24, 2023!

Sign in to the Registration Systems with your CMU Mail then select "Menu" > "Course withdrawal with a W grade." After selecting the course(s) and the reason for withdrawal, don't forget to carefully review your request when the summary of the course(s) to withdraw shows up. Then you must click on the "Click to confirm your request" button to complete your part of the process.

### How can I know if the course withdrawal process is completed?

✔ You will receive a withdrawal confirmation in your CMU Mail.

### How long would it take? Who approves it?

✔ The course withdrawal request will be forwarded to your advisor for approval. The result should be expected within 5 business days.

### How can I follow up on the request?

✔ Sign in to the Registration Systems with your CMU Mail. There are 3 withdrawal statuses as follows:

**Green** is "approval."

**Red** is "disapproved."

**Yellow** is "See your adviser."

## Can Graduate Students Switch from Visitors (a V grade) to Normal Enrollment (Evaluation and Assessment)?

Graduate students who have enrolled as visitors (a V grade) in graduate-level courses may change their visiting status to normal enrollment (evaluation and assessment) by submitting a general request form to the student's affiliated faculty. The request must be approved by the instructor, the advisor and the department head. After receiving approvals, the student may submit the general request form with a copy of the Visiting Form (CMR 46) at the Registration Counter Service of the Registration Office, or ask the faculty staff to submit it through the documentation system from February 27 - March 3, 2023.

### REG-STAT

#### Is it because of **B** blood type?

Top 10 Faculties with the Highest Number of Students with B blood type semester 2/2023

1. Engineering
2. Humanities
3. Science
4. Business Administration
5. Economics
6. Education
7. Medicine
8. Agriculture
9. Nursing
10. Fine Art

\*Referring to 'B blood type', the song tells the story of a woman who has never been in love. She believes that one of all possible explanations (but which may not be reasonable) is her B blood type.
