The Registration Office Organized "The Training of Graduate Admission"

This aims to encourage the graduate staff to understand the program and take suggestions for better improvement and development, held on Sep 25, 2024, at Conference Room 1, the Registration Office building.

Introducing New Service "Search/Recommendation System for Minor Courses"

This system can check which courses you need to be registered for if you want to study a minor subject. Moreover, it can also check whether those courses are available for registration in that semester.

You can access the system at <https://cmu.to/regminor> (Select the desired semester >> Searching/ Search/Recommendation system for minor courses).

Graduation Status Check for Students who Graduated in September 2024

Students who graduated on **Sep 6 and 24, 2024**, are approved to graduate by the academic council on **Oct 2, 2024**. Can be checked from <https://www.reg.cmu.ac.th/web/reg-grad/> by click on menu " Graduation Status"

REG-ALERT

Request for a leave of absence in Semester 2/2024

Notification for first-year students who wish to take a leave of absence in semester 2/2024. Due to having a pre-set course schedule, students must withdraw from all courses via the registration website between **Nov 9-15, 2024**, and request a leave of absence after completing the withdrawal.

For second-year students or above, who did not enroll in any courses, can directly request a leave of absence courses via the registration website. However, all students must complete their registration or request for leave of absence process **within 30 days from the first day of the semester**.

Checking the Final Examination Schedule 1/2024

The Final Examination Schedule by these 4 ways:

1. Registration System

Check the exam date and time at the menu "Class and Exam timetable"

<https://cmu.to/studentfinal167>

2. Search for Available Course System

Check the exam date and time for each course by entering the course no.

<https://cmu.to/searchcourse167>

3. Final Examination Schedule

Check the exam date and time for each course and regular exam schedule

<https://cmu.to/final167>

4. Final exam information (faculty/college announcement)

Check the exam date, time, and exam location for each faculty

<https://cmu.to/final167byfac>

Do not Forget to Check The Final Examination Schedule!

Sending encouragement to all the students.

REG hope everyone gets amazing scores!
