Verification of the prerequisite of course registration in the semester 2/2024

Students can check the status on the registration page. The system will display the status as follows:

- If a **green bar** appears, the prerequisite is fulfilled, and you can register for that course.
- If a **red bar** appears and there is no "or/and consent" message, it means the prerequisite is not fulfilled. The registration for that course will be invalid, and the course will be removed.

In the semester 2/2024, the Registration Office will remove courses that do not pass the prerequisites on **November 9, 2024**. Please remember to check your registration status after this date.
